FG NEWSLETTER

NEW Resource Center IS OPEN!

The new Resource Center building on the Mill Lot on the corner of Bridge St. and Parry is open! Stop by and explore all this center has to offer including health care, SNAP benefits, immunizations, food needs, and many more. There is a schedule attached to the 2nd page of this newsletter.

They will be open Monday-Friday from 8 am to Noon and 1 to 5 pm. Closed for lunch.

Wastewater Treatment Facility Lane Closures

Wastewater Treatment Facility Construction - sewer line installation

The Falls City Highway installation of the sewer line TO the lagoon site FROM Falls City High School is ESTIMATED TO LAST INTO THE FIRST PART OF OCTOBER, BASED ON GROUND BORINGS FROM THE SUB-CONTRACTOR.

THE CITY WILL KEEP THE COMMUNITY INFORMED AS THE TIMELINE PROGRESSES.

We appreciate your patience as this project impacts traffic on Main Street.

Polk County Deputy

The new Polk County Deputy has started patrolling in Falls City and the surrounding areas.

“Smart” Water Meter

The new meters are installed and are working well, and the billing system is working. This month’s bill will be a little smaller due to last month’s bill being higher. Next month bills should return to normal. Thank you for your patience during this transition process.

Food Bank

The Falls City Food Bank will be open on the 2nd Wednesday and the 4th Sunday every month from 11 am to 3 pm at 205 North Main Street.

City Meetings

City Council

Monday, October 7 @ 6 pm in the Community Center at 320 N Main Street.
